How to Access and Register for iWebfolio (the software that houses your University Writing Portfolio)

**Please note that iWebfolio is not compatible with Internet Explorer; be sure you are using another browser (such as Firefox, Chrome, Safari etc.).

1) ACCESSING iWebfolio through Pirate Port

1) Go to www.ecu.edu and scroll down to the “Quick Links” section which will be on the right. Click on the link for “Pirate Port”

2) Fill in your Pirate ID and Password and click on the “Log In” button in the upper right corner.
3) You will then see your Pirate Port main page. Click on the “Tools” button at the top of the screen.
